Young & Chapman

.....

The Firm believe in buying the Best Goods, and therefore holding their Customers from year to year.

The most expensive course through life is taken by those who continually buy the cheapest of everything.

IT ISN'T THE RULE that the highest prices must be paid to get the **Best**, but the kind you **should** buy naturally costs but a little more than the kind you don't want at any price, and will certainly be worth many times the difference.

Teas, Groceries and Household Requisites.

THE Proprietors have pleasure in intimating that they have now made considerable additions to their premises, which will enable them to deal in the most satisfactory manner with the increasing dimensions of their Business. The distinct aim of their Business is to supply Families with GROCERIES, WINES, and SPIRITS at the lowest possible prices consistent with a high standard of Quality. Knowing that a *cheap* article is not necessarily *good* value, but that, on the contrary, it may be very *poor* value at any price, they have to ask you not only to compare their Prices with what is offered elsewhere, but, at the same time, to compare the Quality of the Goods offered, feeling assured that the results will tell very much in their favour.

TEAS—A Speciality.

Particular attention is devoted to this Department. The TEAS are the finest imported, and blended under the personal supervision of an expert.

Prices: 1/6, 1/8, 1/10, 2/-, and 2/4 per lb.

A trial Order solicited.

TEA. QUEEN'S GATE INVERNESS

GILLANDERS' TEAS have already made a name for themselves over the North of Scotland, *not by extravagant and untrue statements*, but by being what they are represented, viz., **Honest Value**, and Value which he challenges any firm to beat.

And following up the motto, "**The Highlands for the Highlanders**," **K. A. GILLANDERS** hopes soon to see the day when there will not be a family in the North of Scotland who will think of sending their orders for the refreshing beverage further South than the **Capital of the Highlands**, and towards accomplishing this object, he invites you to send or call for samples of his

1/6 and 2/- TEAS

and is confident that all giving them a fair trial will be convinced of their merits.

All that is stipulated for is "FAIR FIELD and no FAVOUR."

Orders from 5 lbs. up to 10 lbs. will be delivered post free.

Mutual Assurance with Moderate Premiums.

THE PREMIUMS are so moderate that at usual ages of Assurance £1200 or £1250 may be secured from the first for the yearly payment which would generally elsewhere be charged (with profits) for £1000 only—the difference being equivalent to

An immediate and certain Bonus of 20 to 25 per cent.

THE WHOLE SURPLUS goes to the Policy-holders, and is reserved exclusively for those Members (more than half of those who enter) who survive the period at which their Premiums, with compound interest at 4 per cent., amount to the original assurances.

THE SURPLUS at last Septennial Valuation (1894) was **£1,423,018.** More than ONE HALF of the Members who died during the period (1888-1894) were entitled to BONUSES which, NOTWITHSTANDING THAT THE PREMIUMS DO NOT AS A RULE EXCEED THE NON-PROFIT RATES OF OTHER OFFICES, were on the average equal to AN ADDITION OF ABOUT 50 PER CENT. to the Policies which participated.

Examples of Premium for £100 at Death—With Profits.

Age	25	30*	35	40†	45	50
During Life.....	£1 18 0	£2 1 6	£2 6 10	£2 14 9	£3 5 9	£4 1 7

* A person of 30 may secure £1000 at death by a yearly payment, *during life*, of £20 15s, which would generally elsewhere secure (with profits) £800 only; or he may secure £1000 by 25 payments of £26 10s.

† At age 40, the Premium, *ceasing before age 65*, is, for £1000, £32 5s, being about the same as most Offices require during life.

To PROFESSIONAL MEN and others whose income is dependent on health, the *limited payment system* is specially recommended.

Accumulated Funds, £11,000,000.

Arrangements as to Surrender, Non-forfeiture, Loans on Policies, Immediate Payment of Claims, etc., are specially liberal. Policies, as a rule, are world-wide after five years—provided the Assured has attained 30.
